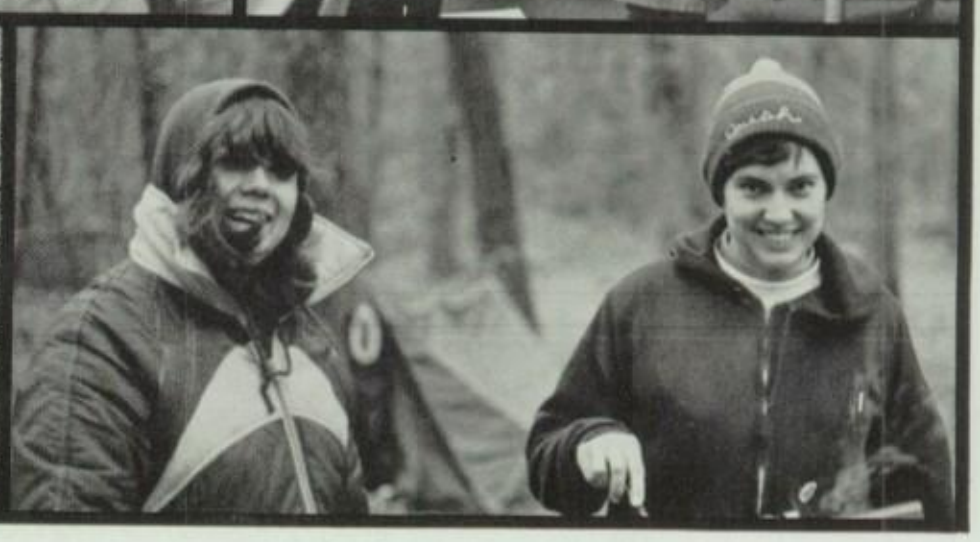
LIFE AND LEADERSHIP

The Life & Leadership team of St. Thomas Aquinas is established to provide the best possible opportunities for Christian social education on the high school level. L & L goals for '78-'79 were to tap potential, foster Christian community, and to build a positive attitude toward community service.



The '79 Leadership Workshop was presented by professionals in the fields of communications and leadership. The morning session was conducted by Dr. Marshall Rosenberg PHD, and the afternoon session was conducted by project S.T.R.E.A.M., the St. Louis Regional Experimental Adventure Movement.

NHS

The National Honor Society officiates at most of the functions of the school serving as guides for parents and students on Back-to-school night, Open House, Freshman Registration and many other school community activities.

Membership in the society is determined by academic excellence, service to the school, character and leadership qualities. During the year the members plan the annual Induction Ceremony and Awards Banquet, in addition to their active participation in a tutoring program.

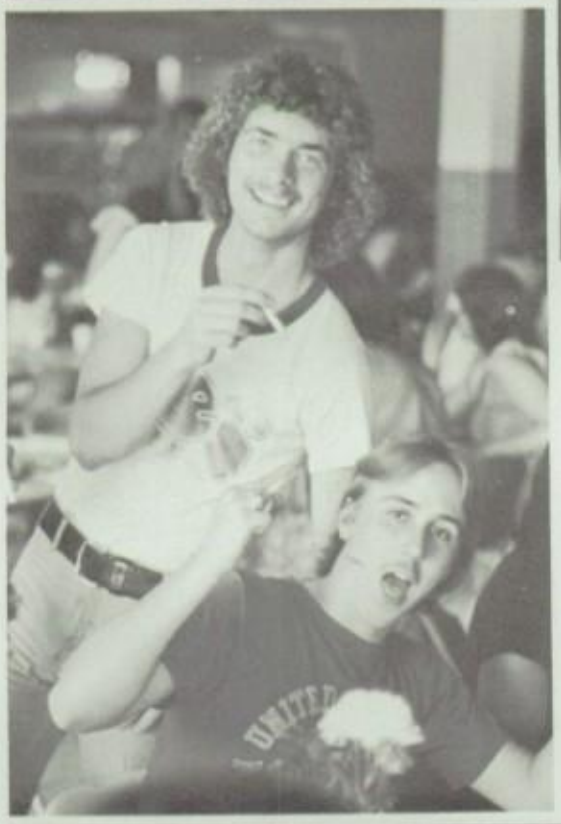
This years' Senior Citizens Day was held on May 8th. The day started with a welcome and mass in the morning followed by lunch and entertainment in the afternoon. There was a fashion show, singing by the choruses, great dancing music provided by the Concert Band, and to top it all off Bingo. It was a wonderful day thoroughly enjoyed by all!!!



The fortune teller tells me
I have somewhere to go
To look and try and understand
And wonder how she knows.
So I must be going now,
I'm losing time my friend
Looking for a rainbow down
This highway in the wind.

There was a lot of hard work, time, and care put into this book, and we would like to offer a special thanks to Celia Brown, Mike Claspille, Letha Fenton, Missy Hopkins, Linda Pilla, Jeff Smith, and especially to the Co-Editors, Jeanette Fenton and Carol Zipp for a job well done!!
